Workers' Compensation is an insurance program for employees who are injured or become

## What you should know:

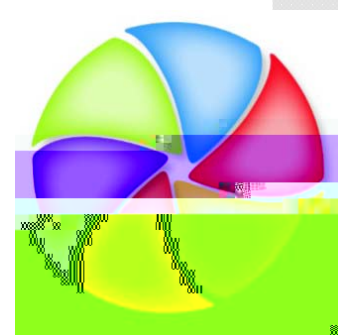

If treated for a work related illness/injury—  
Do not use your personal health insurance card when being treated.

Report your work injury or illness to your supervisor immediately. HR may be who you report to.

# DWC1 Form (Sample)

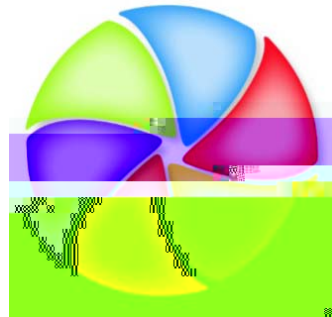

# The employer's role:

(this could be you)

2. Once the DWC1 is received back, complete and sign the Employer's Section of the form.

3. Report the claim to Sedgwick CMS by calling 1 855 572 5966

## Keep in Mind

If you will miss work due to a work injury, inform your supervisor and provide a copy of the physician's instruction.

You will be permitted back to work once a doctor's note is provided releasing you to duty whether it be full or modified work.
